22K Subscriber Celebration Giveaway OFFICIAL RULES, TERMS & PLATFORM DISCLAIMER

Sponsor: Swing Science / EgoFree Golf, operated by Arnold Jones II, Omaha, Nebraska.

NO PURCHASE NECESSARY TO ENTER OR WIN. A PURCHASE WILL NOT INCREASE YOUR CHANCES OF WINNING.

1. Giveaway Period

The Swing Science 22K Subscriber Celebration Giveaway begins when the official giveaway announcement is first published and ends on **Sunday, November 8, 2026, at 11:59 PM Central Standard Time (CST)**. Entries received after the deadline will not be eligible.

2. Eligibility

The giveaway is open to legal residents of the 50 United States and Washington, D.C., who are at least 18 years old at the time of entry. The sponsor and its immediate family members are not eligible. Void where prohibited by law.

3. How to Enter

To enter, locate the official Swing Science giveaway video on YouTube, Facebook, or Instagram and comment **"SWING"** beneath that video before the giveaway deadline.

Only **one entry per person** is permitted, regardless of the number of platforms on which that person comments. Duplicate entries will not increase the chances of winning. Participants may be asked to identify their accounts on other platforms for verification.

Liking, sharing, subscribing, and following Swing Science are appreciated but are **not required** to participate or win. No purchase, payment, or paid subscription is required.

4. Prizes

Three eligible participants will each receive one complimentary, personalized golf swing analysis conducted by Arnold Jones II. Each winner must submit two golf swing videos:

- **Down-the-Line View:** Recorded from behind the golfer, looking toward the intended target.
- **Face-On View:** Recorded from directly in front of the golfer, facing the golfer's chest.

Both videos must clearly show the golfer's entire body and golf club throughout the swing. The analysis will address what the golfer is doing well, swing characteristics that may be limiting performance, and specific recommendations and practice priorities for improvement. Analyses will be delivered electronically. Prizes are not redeemable for cash and may not be transferred.

5. Winner Selection

Three winners will be randomly selected from eligible entries received before the deadline. Each eligible participant will have one entry in the drawing. Odds of winning depend on the total number of eligible participants.

Winners are scheduled to be announced on **Monday, November 9, 2026**, through a public Swing Science video or social media post.

6. Winner Notification and Claiming Prizes

Winners will be identified through an official Swing Science announcement providing instructions for claiming their prizes. Selected winners must contact the sponsor using the designated method and verify ownership of the winning account.

Winners have **72 hours after the public announcement** to claim their prizes. If a winner does not respond within that period, is ineligible, or cannot verify their entry, an alternate winner may be randomly selected. The sponsor will never require payment to claim a prize.

7. Video Submission and Delivery

Winners will receive instructions for securely submitting their swing videos. Analyses will be completed and delivered electronically **within seven calendar days of receiving both usable swing videos**. If footage is unclear or unsuitable, the winner may be asked to provide replacement videos.

8. Privacy and Use of Submitted Videos

Personal information collected through the giveaway will be used only to administer the promotion, verify eligibility, contact winners, receive swing videos, and deliver analyses. This may include names, social media usernames, email addresses, and golf swing videos.

Participant information will not be sold or used for unrelated marketing without separate consent. Swing videos will remain private and will not be shared publicly, published on Swing Science channels, or used for educational or promotional content without the participant's separate written permission.
